Installing the Shurley Online Services Portal on your iPad and other iDevices

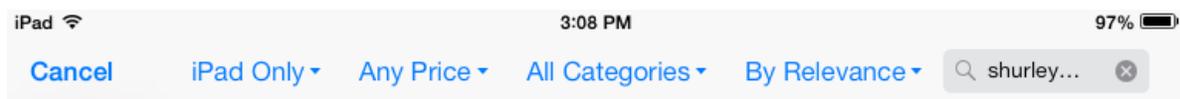

You may access the **Shurley Online Services Portal** via a free app download.

If you are using an Apple device, you must visit the **App Store** in order to download the free app.

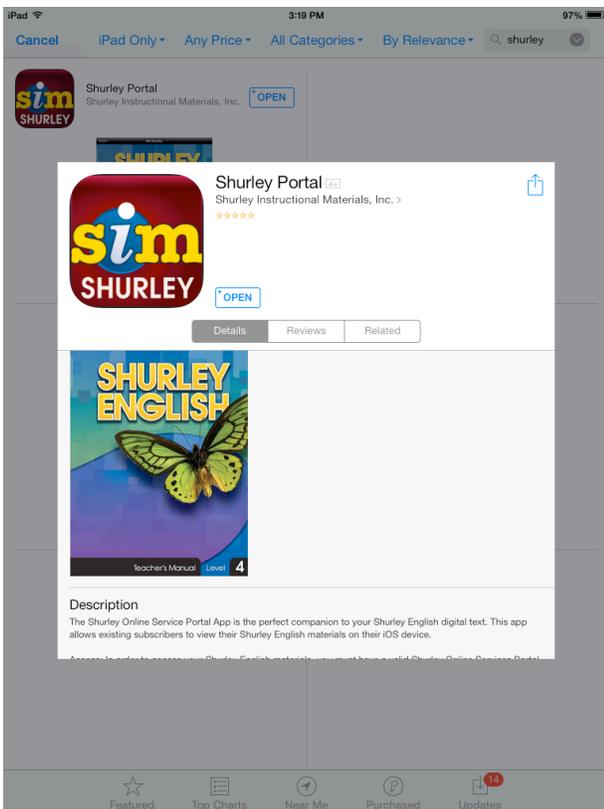

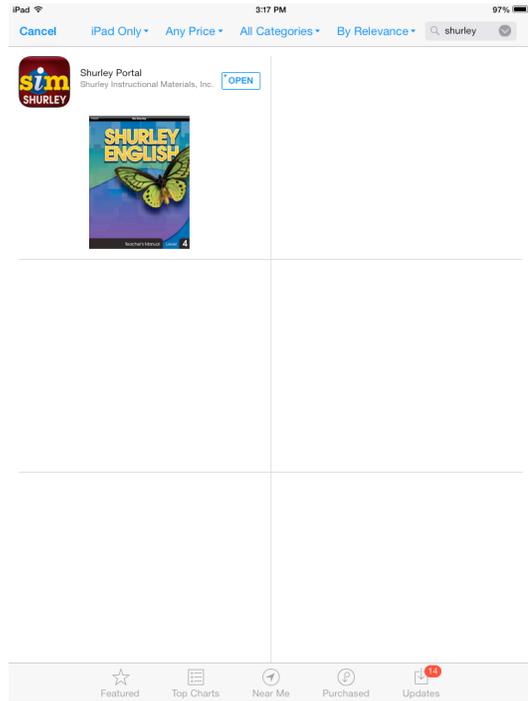

You must have an Apple ID to download this free app.

Once you are in the App Store, select the search feature and type **Shurley Portal** into the search bar.

Click on the **Shurley Portal** icon.

Next, you are taken to the app description page. Please review the details on this page and verify that your device has sufficient storage and that you are running a compatible version of iOS.

Click **Free**.

Click **Install**.

You may be prompted to enter your Apple ID account password at this time.

The icon will automatically appear on your screen.

Click the **Shurley Portal** icon.

Login

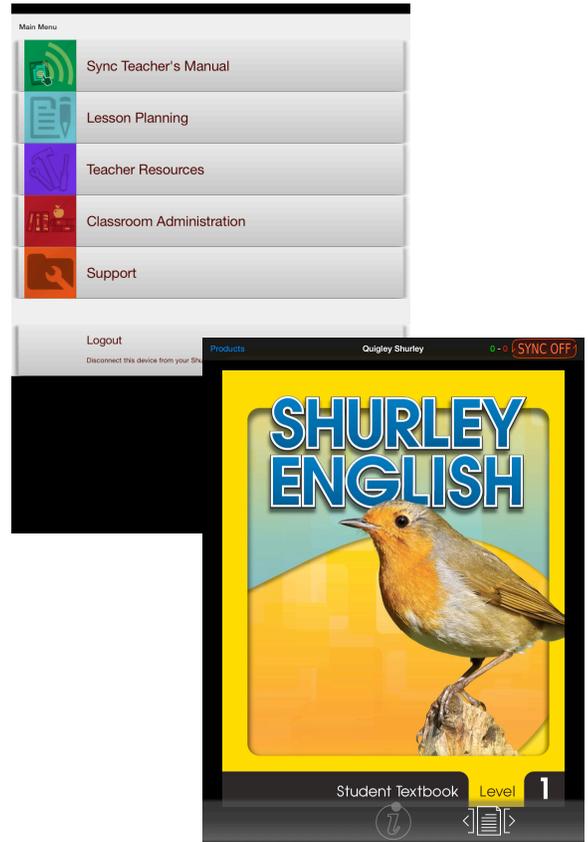

If you are a teacher, **login** using your **Shurley Online Services E-mail Address** and **Password**. This is the same e-mail address and password you use when on your desktop or laptop computer.

If you are a **student**, enter your six-digit access code. Remember, this access code is case sensitive. Leave the password field blank.

If you have your own device, we highly suggest you turn on the **Remember User ID** for quick login access.

If you are a **teacher**, the teaching materials allocated to you are listed in the menu, along with any established classrooms you have created.

If you are a **student**, you now have access to your textbook.

For a complete guide on how to best utilize your digital materials on an iPad or other iDevice, please visit the **Support** tile within Shurley Online Services.
