

SHURLEY GRAMMAR

Scope & Sequence

Shurley Grammar is a unique tool, specifically designed to help students master the parts of speech and sentence structure. Students learn definitions for the parts of speech through jingles that incorporate rhythm, rhyme, movement, and fun. Then, they are introduced to our well-defined system of classifying sentences known as the Question and Answer Flow. Through word analysis, students gain a better understanding of the parts that make up a sentence. With this basic grammar foundation in place, students are introduced to a clear, structured method for writing sentences that provide for clear, precise communication.
